General Information

Time—Show, 10 a. m., Sale, 12:30 p. m. Eastern Standard Time on Saturday, October 28, 1961.

Location—This sale will be held in the new sale pavilion at the Madison County Fair Grounds, London, Ohio. London is 25 miles southwest of Columbus; 25 miles southeast of Springfield; and 45 miles east of Dayton. It is on Federal Highway 42 which is the main highway from Cincinnati to Cleveland. It is also on State Highway 38. Federal Highway 40 is only four miles north of London.

Transportation—London may be reached easily by automobile or bus on paved roads from every direction. It is on the main line of the New York Central Railroad running from Cincinnati to Columbus and Cleveland. It is also on the main line of the Pennsylvania Railroad running from St. Louis to Columbus and Pittsburgh. The nearby cities of Columbus and Dayton are on main airlines and guests who travel by air will be met at these points if advance notice is provided.

Accommodations—The Shively and London Hotels are located in London, Ohio. There are also many excellent tourist camps and motels in the immediate area. We will be glad to arrange hotel or motel accommodations if you will let us know when you will arrive and the number in your party.

Lunch—A lunch will be served at the sale pavilion. Come early and allow yourself plenty of time for an inspection of the cattle.

Bids—Those wishing to buy at this sale but who find it inconvenient to attend may send buying orders to Ned W. Place, Wapakoneta, Ohio, Horace W. Walker, Eastern Representative of The Shorthorn World, 3906 71st Street, Indianapolis, Indiana. You may also write or call either of the auctioneers.

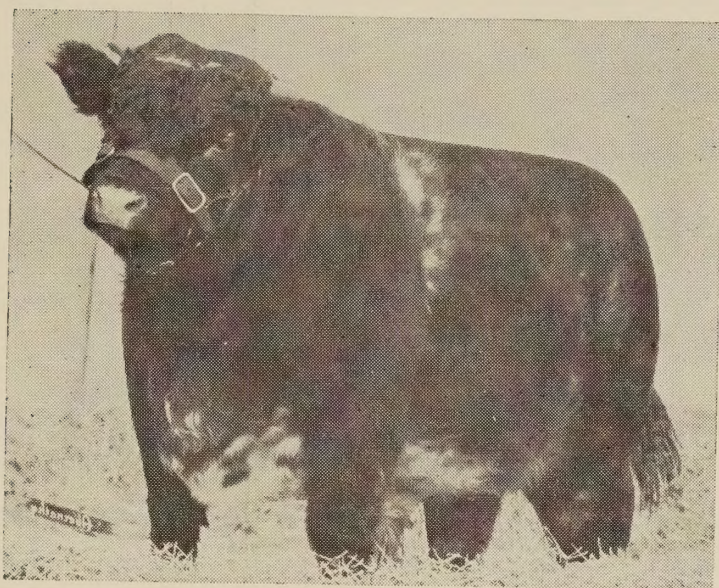

Auctioneers—Merlin Woodruff, Urbana, Ohio. Don Beal, Fredericktown, Ohio.

Guarantee—All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association.

Health—All cattle are sold subject to a sixty day retest for tuberculosis. Health certificates will be issued by a representative from the office of the Ohio State Veterinarian.

Inquiries About Cattle Listed—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animals listed in the catalog. Such correspondence should be addressed to Ned W. Place, Wapakoneta, Ohio.

The auctioneer, clerk and sale manager have been employed by the consignors for specific tasks not connected with the handling of the cattle or the condition of the premises, and they accept no liability for the contract or for any accidents that may occur. Those in charge will make every effort to provide for the comfort and safety of those attending the sale, but they can't accept liability for injuries that may occur. Accidents at cattle sales are rare, but all attending must do so at their own risk.

W M GAMBLER, A dark red son of Strowan Gambler, sire of the first place junior calf at the 1961 Ohio State Fair. Strowan Gambler is sired by the 1956 International Congress Champion bull, Ringwell Morning Star and his sire is Ringwell Lodestar. W M Gambler is a bull with a good head and bone that is needed in a herd bull. He has great quarter and plenty of size. We have bred several cows to this bull and have great faith in him. His dam is a granddaughter of one of Ohio's leading sires, Shore Acres Dunrel. A good herd bull prospect.

W W MERCURY, this rugged fellow is just beginning to come into his real form. He was one of the greatest little calves ever dropped on the farm, but had a setback with pneumonia as a calf. Incidentally, the Willow Lee Wonder 17th, Dunrel cross has worked very well for us and certainly this calf is no exception. On the dam side such bulls as Calrossie Mercury, Royal Roths, Roths Royal and others should help much to recommend him for a stock bull. Herd TB accredited and Bangs certified.

WILLOW LEE WONDER 17th one of the best breeding sons of Drynie Wonder. He is related to nearly half the cattle selling in this sale.

W W PROMOTER—This rugged, good headed calf is by the great breeding bull, Willow Lee Wonder 17th and out of perhaps the 2nd best Dunrel daughter we have in the herd. Her full brother topped the State Sale a few years back at \$700 going to Mr. Baird at Delaplane, Virginia. A full sister of Promoter is one of our very best daughters of the 17th that we have put back for our brood cow herd. Although this calf has never had a nurse cow he has made good growth and we feel has a lot of out come. Here is a calf with the substance of the 17th calves and the correctness of the Dunrels. Certainly the background of this calf should guarantee his performance as a sire. Herd Accredited for TB and Bangs certified.

PM SENSATION—Here is a calf that has made his way without the help of a nurse cow or special fitting. He has just been a good doer. You will like his wonderful head and his excellent style and balance. His sire, Panel Royal Minstrel, left some wonderful calves including our first prize senior yearling bull, PM Performer who made a lot of friends at the fairs this fall. Our first prize Junior Yearling bull and our 2nd prize summer yearling heifer at Michigan were also by Minstrel. His dam should further recommend him as she is a good daughter of old Dunrel. M W W RODNEY—a red son of Green Brae Baronet and from a dam that is a consistent producer of show cattle. Here is a senior calf that is short legged, deep, muscular and real thick from end to end. A calf that has looked the part of a good bull prospect from the day he was born. He won his class at the 1961 Wood County Fair where he was also champion bull. At the Ohio State Fair he stood 7th in a strong class of calves and returned to stand 5th in the Ohio Shorthorn Futurity. A strong senior yearling show bull prospect for the 1962 shows. DEEP COVE BEAUTY 11th by Hayard Monarch, Reserve Grand Champion bull of the 1949 Canadian Royal Winter Fair and sire of countless champion sons and daughters. Deep Cove Beauty 7th was the undefeated champion female in Eastern Canada in 1958, and was named Grand Champion female over all breeds at the 1958 Northern Maine Fair. Fairnington Beauty 2nd was a member of the small but strong original importation on which Deep Cove herd was founded, and left an unbroken line of successful show cattle, including first prize-winners and champions at the Canadian Royal Winter Fair and the Maritime Winter Fair. Bred July 2nd to Acadia Napoleon 20th, one of Kinellar Napoleon's best breeding sons.

Females, lots 21 through 26 are owned by Olen W. Goddard. He lives at New Martinsville, West Virginia, his farm is at Sardis, Ohio. Due to the fact he is unable to take care of these cattle this winter, this fine nucleus of cattle is being dispersed in this sale. Two of the females came from Acadia Sale this year, two from Kickapoo this year and two from the Louada herd. Please study their pedigrees; they are the best.

W S ROSEBUD is a typy heifer that comes from our great producing Rosebud family. Many of our show calves over the years have come from this family. A few we might name are Dunrel Rosebud 4th, Grand Champion Ohio State Fair, Reserve at Michigan, Grand Champion at Ohio State Show, 3rd at Eastern National; 2nd at the International and champion female at the International sale; KM Rosebud, first prize junior heifer calf at Ohio and Michigan; W W ensign, champion and top selling bull at the 1960 Ohio State Sale. The dam of this heifer has been one of our hard working brood cows that you can always depend upon. The sire of this heifer, Willow Lee Sensation, was a bull we used and then sold in the International Sale for \$950. He left us a good set of calves including the sweet young junior yearling we showed this year. Certainly the mating of this correct, feminine young lady to Scotsdale Masterpiece should produce a great calf. Calfhood vaccinated. Herd vaccinated for TB and Bangs certified.

CECILIA B 3d is a very breedy daughter of Conquest that looks like a promising brood cow matron. You will notice too that the dam of this heifer is by the imported bull, Creiffvechter Gallant, a bull who left some good calves in the Andy Miller herd. He sired a \$1100 bull one year in the State Sale for Andy. Certainly the service of Scotsdale Masterpiece on this heifer could provide her owner with a show calf. We strongly recommend her. Certainly these Miller bred heifers are a tribute to Andy Miller as a breeder. We regret that Andy had to give up his Shorthorns because of other business pressure. However, we feel fortunate in having the opportunity of buying the entire herd so that his efforts of developing the herd may not be in vain. Calfhood vaccinated. K M MISS MERRY is a dark roan heifer by Susanna's Merry Purvis. This heifer is not a fancy show heifer, but looks like an excellent foundation cow, good headed, straight topped and underline. On performance testing, she had an average daily gain of 2.17 lbs. a day with an index value of an outstanding 141-8. Vaccinated and sells open.

OHIO'S LAVENDER QUEEN—Calved May 14, 1960. The Lavender cows have been the outstanding producers here at OSU and this big, rugged heifer will certainly bear this out. This heifer's granddam, Ohio's Lavender 30th was a consistently good producer in our herd until she was 17. We think this heifer will make a real brood cow. Sells bred. Vaccinated.

Dr. O. W. House, Washington Court House, Ohio is consigning seven extra good steers by Willow Lee Wonder 17th. Calves by this bull and from this herd were champions at the Fayette County Fair, Warren County Fair and at the Crawford County Fair in 1960. Also, the grand champion of the Junior Show, Ohio State Fair, All breed steer show was won by a steer from this herd.

Besides the above listings, we hope to have added steers.

STANDARD GUARANTEE

— O F —

American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

8. As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.
